

K-LOVE radio station is awesome. It benefits and serves me in my community. It is positive and encouraging and I believe that I am actually a better neighbor and friend as a result of the station. If it were replaced with some LPFM broadcaster, it would and could not be an affected 'outlet' in the chaos we have to deal with on a day to day basis. I have had others who have heard the station and have made it their station as well. We need K-LOVE to stay on the air! Thank you.
